

WARIS ALI SHAH PUBLIC SCHOOL  
HOLIDAYS HOMEWORK  
ACADEMIC YEAR 2007 – 2008  
GRADE VII

DATE: 31-05-07

MATHEMATICS

**1<sup>ST</sup> Task:**

Learn Tables from 2 to 20  
Learn squares from 2-15  
Learn cubes from 2-10

**2<sup>nd</sup> Task:**

Solve the following questions from, “The New Syllabus D Mathematics 1 workbook,” in a register. Marks will be included in your Term Exams. Work should be maintained systematically and must be submitted within the first week of the new session.

1. All questions which are given on page 02
2. All questions which are given on page 05
3. All questions which are given on page 17

BIOLOGY

**1<sup>st</sup> Task:**

Revise the chapter “Classification of Plants and Animals” from the book “Lower Secondary Science 1”.

**2<sup>nd</sup> Task:**

Collect different types of seashells by visiting picnic places on seaside. Look for their common names through books and Internet research. Make a scrapbook of your findings.

CHEMISTRY

Write and learn the symbols and atomic mass number of Group A elements in the Periodic Table from the book “Lower Secondary Science 1”.

ENGLISH

**1<sup>st</sup> Task :**

Here is an English project to help you improve your English language listening and writing skills. The work will be marked and the marks will be included in the sessional report.

For the project, you have to maintain a register as your daily diary. It should contain a daily written report based on the following activity.

You have to listen to the News bulletins on BBC and CNN every day. You have to write two daily reports about any two major events reported on each of the channel. The news reports of each channel should be written on a separate page. The work should be properly labeled with the day/ date/ and the name of the channel. A headline should be written for each day’s news report.

Work should be maintained systematically and must be submitted within the first week of the new session.

**2<sup>nd</sup> Task :**

You must learn and revise the word list from the guide for the Spelling Bee contest.

**3<sup>rd</sup> Task:**

**Reading:** Read any two books written by the writer, Ms Enid Blyton, who is a world famous writer of storybooks for children. The books are easily available in the bookshops. Bring the books you have read to school in August, and be prepared for a quiz on these books.
